# Unlawful Sexual Relations

Leviticus 18

“The people and land became defiled because, when sexual life was separated from love and marriage, it degenerated into a animal activity that was an affront to human dignity.”

“If you were to set out to attack the image of God, you would need to do more than ridicule how worthless a human pinky toe appears. Instead, you would plot after the most vulnerable, beautiful, and powerful dimension of who we are: our sexuality. This is the mind of evil.... Evil has completed massive research on us and knows we are far more likely to pursue shameful sexual behavior when we are experiencing difficult emotions.”

THE BOOK OF LEVITICUS

“There are two equal and opposite errors into which our race can fall about the devils. One is to disbelieve in their existence. The other is to believe, and to feel an excessive and unhealthy interest in them. They themselves are equally pleased by both errors and hail a materialist or a magician with the same delight.”

C. S. Lewis, *The Screwtape Letters* (New York: HarperCollins, 2015), ix.

# Set Apart

Our responsibility and God's Enabling Provision

- You shall consecrate yourselves therefore and be holy, for I am the LORD your God. You shall keep My statutes and practice them; I am the LORD who sanctifies you. (20:7-8)
- You are therefore to make a distinction between the clean ... and the unclean (20:25)
- ... you are to be holy to Me, for I the LORD am holy; I have set you apart from the peoples to be Mine. (20:26)

Heb 12:14 Pursue peace with all men, and the sanctification without which no one will see the Lord.

“A loose wire gives out no musical note; but fasten the ends, and the piano, the harp, or violin is born. Free steam drives no machine, but hamper and confine it with piston and turbine and you have the great world of machinery made possible. The unhampered river drives no dynamos, but dam it up and we get power sufficient to light a great city. So our lives must be disciplined if we are to be of any real service in this world.”
